Mobile Application

Login

Basic Registration

A mobile application interface for account creation. The screen is titled "Create your account" and features three input fields for "Name", "Mobile Number", and "Email id". Below the fields is a text line stating "By signing up you are Agreeing to our Terms and Conditions". At the bottom is a blue "Continue" button. The interface is displayed on a smartphone mockup with a black bezel and a white home button.

User Entity

A mobile application interface for selecting a user entity. The screen is white with a black border. At the top, there is a status bar with three small circles. Below the status bar, the text "Are you" is centered. Underneath, there are four radio button options: "Farmer", "Corporate", "Dealer", and "Govt". Below these options, the text "Please Select the option" is centered. At the bottom, there is a blue button with the text "Submit" in white.

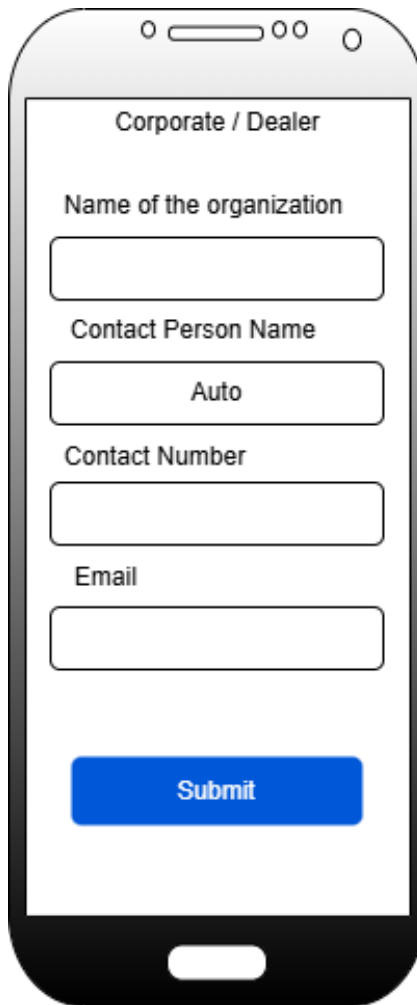

Are you

- ☐ Farmer
- ☐ Corporate
- ☐ Dealer
- ☐ Govt

Please Select the option

Submit

Corporate / Dealer / Govt

A mobile application interface for registration. The screen is titled "Corporate / Dealer". It contains four text input fields: "Name of the organization", "Contact Person Name", "Contact Number", and "Email". The "Contact Person Name" field has a dropdown menu with "Auto" selected. At the bottom is a blue "Submit" button.

3.

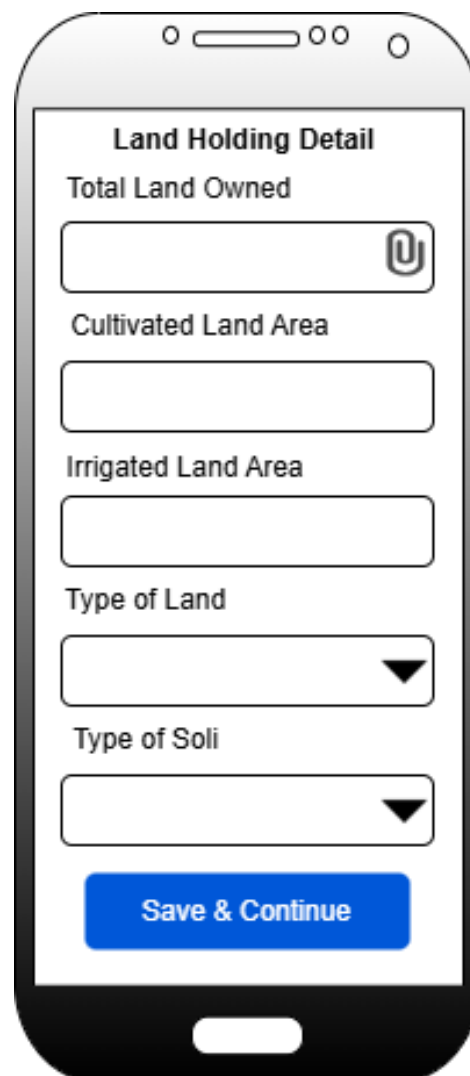

The image shows a mobile application interface for an 'Identity' form. The form is displayed on a smartphone screen with a black bezel. At the top of the screen, there is a status bar with three small circles. The form itself has a white background and a black border. It contains the following fields:

- Farmer Type**: A dropdown menu with a black triangle icon on the right.
- ID Type**: A dropdown menu with a black triangle icon on the right.
- Type of Id Proof**: A dropdown menu with a black triangle icon on the right.
- ID Number**: A text input field. To the right of the label, there is a small text note: "In case of other than Aadhaar".
- Qualification**: A text input field.

At the bottom of the form, there is a blue button with the text "Save & Continue" in white.

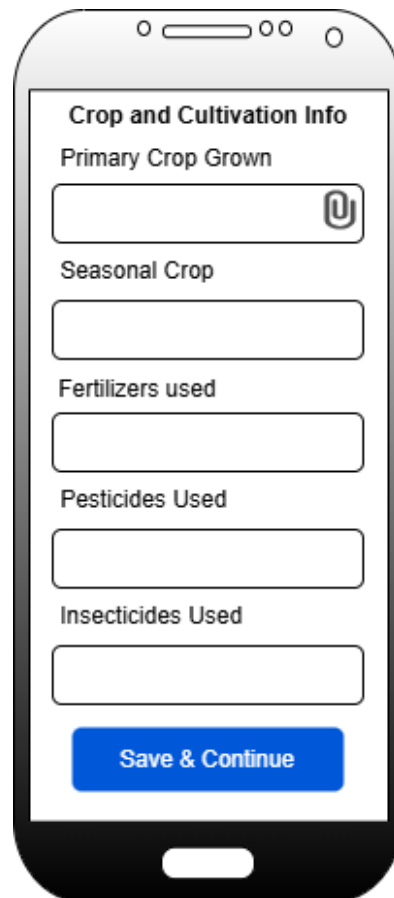

4.

The image shows a mobile application interface for a 'Land Holding Detail' form. The form is displayed on a smartphone screen with a black bezel and a white home button. The interface has a white background with black text and a blue button. The form fields are as follows:

- Land Holding Detail** (Section Header)
- Total Land Owned** (Text label)
- (Text input field with a paperclip icon on the right)
- Cultivated Land Area** (Text label)
- (Text input field)
- Irrigated Land Area** (Text label)
- (Text input field)
- Type of Land** (Text label)
- (Dropdown menu with a downward arrow)
- Type of Soli** (Text label)
- (Dropdown menu with a downward arrow)
- Save & Continue** (Blue button with white text)

5.

The image shows a mobile application interface for data collection. The screen is titled "Crop and Cultivation Info". It contains several input fields for text entry, each with a label above it. The first field is for "Primary Crop Grown" and includes a small icon of a document with a checkmark. The other fields are for "Seasonal Crop", "Fertilizers used", "Pesticides Used", and "Insecticides Used". At the bottom of the form is a blue button labeled "Save & Continue". The entire form is displayed within a black border representing a smartphone screen.

Event Registration

The image shows a mobile application interface for event registration. At the top, there is a header bar with a hamburger menu icon on the left, the text "ADIRA AGRI MANTRANA" in the center, and a user profile icon on the right. Below the header, the title "Agriculture Exabition" is displayed. The registration form consists of several input fields: "Name", "Mobile", "State", "District", and "Village / City". Each field is represented by a white rectangular box with a thin black border. Below the "Village / City" field is a blue button with the text "Submit" in white. At the bottom of the screen, there is a navigation bar with three icons and their corresponding labels: a house icon for "Home", a red cube icon for "Product", and a globe icon for "Services".
